

SPEAKER BIO:

Yve Anmore is a life and spiritual coach who works primarily with conscious creatives, spiritual seekers and conscious entrepreneurs, who value and want to create a life they love. A life that feels authentic, nurturing and true to who they are.

Her talks focus on creating a life we love using the power of awareness - not only to identify what we would like to create, but also to reveal the deeply embedded fear blocks holding us back. Her basic premise is that we all have mind stories, limiting beliefs or conceptual thinking that actively prevents us from creating a life we love.

She's the author of *Musings On The Path* – A powerful sharing of the Path of The Open Heart, through the medium of essays, articles, poetry and even modern-day parables. Coming in 2019. She's had articles published at New Spirit Journal, Sivana East, The Wellness Universe and The Good Men Project.
